

All of the scholarship contests are open to all U.S. residents who are either high school seniors or college students who are already enrolled. The entry requirements vary for each, but generally only require students to write a 500-word essay on a topic related to the sponsor's industry. The deadlines for the individual contests are listed below. **No fees or purchases are required to enter.**

More detailed info on the scholarships can be found at the following websites (along with the essay topics):
