Re: Scholarships available

The Barron County Farm Bureau will be granting three (3) **\$250 scholarships** for high school seniors. This scholarship is open to all students with preference given to students from Farm Bureau families. This scholarship will be based on the student's past school and community activities, plans for future education and your recommendation.

Please send back the enclosed application along with a brief recommendation from you explaining why you feel your student is deserving of this scholarship. **Also, students should enclose a photo of themselves to be used for publication purposes.**

Please return by **April 1, 2014** to:

Karyn Schauf
Barron County Farm Bureau
1659 10 ½ Street
Barron, WI 54812

An electronic version of the application can be found by visiting <http://wfbf.com/county-farm-bureaus/barron/>.

We will present a certificate of scholarship this spring and the scholarship will be awarded after the student has completed one session of college or vocational school and has provided our office with a transcript with at least a 2.0 grade point average.

Please copy the enclosed application if more than one student is applying.

Sincerely,
