D. ESSAY

On a separate sheet of paper, type a statement of 750 words and not exceeding 1000 words, answering this question:

Over the last one hundred years we’ve witnessed great advancements in technology from the land-line telephone and AM radio, to smart televisions, cellular telephones, the Internet, and portable tablets and laptop computers. With today’s instant access to technology at our fingertips, are we beginning to depend too much on our computers, tablets, and smartphones, and what are some of the positive and negative effects we might encounter with this continued level of dependency?
