FOLLOW GUIDANCE FROM HEALTHCARE PROVIDER AND EXCLUDE USING WISCONSIN CHILDHOOD COMMUNICABLE DISEASE WALL CHART.
Household Members: all well individuals may return to school and work unless otherwise indicated based on diagnosed illness
PROBABLE CASE: PUBLIC HEALTH WILL FOLLOW-UP. EXCLUDE FOR 10 DAYS SINCE SYMPTOM ONSET AND 24 HOURS FEVER FREE AND OTHER SYMPTOMS IMPROVING
Household Members: Excluded for 14 days since last exposure to ill individual
SUSPECT CASE:
EXCLUDE FOR 10 DAYS SINCE SYMPTOM ONSET AND 24 HOURS FEVER FREE AND OTHER SYMPTOMS IMPROVING. ENSURE PH IS NOTIFIED.
Household Members: The best practice from a public health perspective is to exclude household members for 14 days since last exposure to ill individual. However, the school nurse may consider if these symptoms are different from the baseline of the ill student
POSITIVE CONFIRMED CASE: PUBLIC HEALTH WILL FOLLOW UP. EXCLUDE FOR 10 DAYS SINCE SYMPTOM ONSET AND 24 HOURS FEVER FREE AND OTHER SYMPTOMS IMPROVING.
Household Members: excluded for 14 days since last exposure to ill individual
NEGATIVE NOT A CASE
EXCLUDE STUDENT UNTIL 24 HOURS SYMPTOM FREE WITHOUT MEDICATION USE
Household Members: all well individuals may return to school and work
NO EXCLUSION REQUIRED
IF NOTIFIED BY PUBLIC HEALTH, EXCLUDE 14 DAYS PAST LAST EXPOSURE AND MONITOR SYMPTOMS. EVEN IF INDIVIDUAL HAS NEGATIVE COVID-19 TEST DURING THESE 14 DAYS, THEY CANNOT RETURN
