Wow!!!! Where did the time go?! I'd like to take a moment to say thank you to all of my students for working so hard this year and being a great group of kids to work with!! We learned so many new things this year and had fun along the way!! Thank you to all of the parents for your support and help throughout the year! It truly takes a team effort and all your hard work and homework help has made a big impact!! I would like to wish everyone a **safe** and **happy** summer! Please remember practice makes perfect so reading some good books and practicing your math facts on occasion is a great way to keep your brain in tip top shape!! Next year is an exciting year as you move on to become the big kids in the school but added to that is you get to be the big kids in our brand new school!!!! Yahoo!! I am so proud of each and everyone of you. You are going to be fantastic 4th graders!! Please remember to stop by and say hi next year!! Until then..... Enjoy your summer vacation **4th GRADERS!!!!**
