### **Title I Schoolwide Project**

During the month of May the Elementary building will hold the Annual Review/Spring Planning Meeting for the Title I Schoolwide project. The purpose of this meeting is to provide interested parties the opportunity to review the recommended plan and design of the Title I Schoolwide program plan for the 2016-2017 school year.

It is essential that we have parents present at this meeting.

At this time we are looking for parents that would be interested in attending this hour-long meeting. Once we know who would like to attend we will plan a date and time that works for the majority. This meeting will most likely be held at the elementary building starting around 1:30. If you are interested in attending, please send a note to school with your child to give to Mrs. Larson or Mrs. Ebner or phone us at 715-458-4560

Thank you! We look forward to hearing from you.
