Notifying Office of Changes for Student After School Plans

Please remember the following:

- *Students who are going to ride a bus other than the one assigned to them will need a note from home. The note needs to be brought to the office and a bus pass will be issued.
- *Because of bus capacity, parents of students planning parties after school should arrange transportation for their guests other than the bus.
- *Please notify the office by noon if there is a change in after school plans for your child. This gives office staff time to contact teachers.
