

To Cameron Elementary School Families:

It has been a great start to the school year. Students are seeing old friends and making new ones. I would like to welcome all of the new students and families to Cameron Elementary School. The start of the school year is an exciting time for students, families, and staff members.

Students are back to working hard in the classroom. Along with classroom work, there have been different assessments given to students to help us better individualize learning. With all of the hard work students put into their classroom work, they are ready when it is recess time. We added two Gaga Pits to play Gagaball this summer. They have been a hit with students. We also added a 9-Square play area. This too has been popular with students.

I would like to thank our staff for having our school ready to go. We have a beautiful facility at Cameron Elementary School. This would not be true if we didn't have a staff that cared as much as they do about providing our students with the best opportunities possible.

I would like to wish a great 2018-2019 school year to our Cameron community. Go COMETS!

Sincerely,
Cory Martens, Principal

Notifying Office of Changes for Student After School Plans

Please remember the following:

- *Students who are going to ride a bus other than the one assigned to them will need a note from home. The note needs to be brought to the office and a bus pass will be issued.
- *Because of bus capacity, parents of students planning parties after school should arrange transportation for their guests other than the bus.
- *Please notify the office by noon if there is a change in after school plans for your child. This gives office staff time to contact teachers.

Student Verification – Skyward Family Access

If you have not updated/validated your students' information, please log into family access to update your information by Friday, September 28th. It is very important that we have current phone numbers, addresses, emergency contact etc. We will print updated information for our files on Monday, Oct. 1, 2018.

Note: If your child becomes ill or injured at school, we will contact the person(s) you have provided as emergency contacts if we cannot reach a parent/guardian. If no one can be reached office personnel will use their discretion to handle the emergency situation.

If you have questions please contact Lisa at 715-458-5710.

Mobile Phone Users Skyward Family Access Tips

Using the Skyward mobile app, families can view student information from a smartphone. This app can be downloaded from iTunes, Amazon app store or Google app store.

To make changes to student information and/or schedule conferences in Skyward from your phone, you need to use a web browser instead of the app. For example, if you have an iPhone that comes with the Safari browser by default, you can use that to get to the Cameron School homepage (www.cameron.k12.wi.us) to access Family Access. Once on the web page choose Families, then Skyward and it will take you to the log-in page. Once you login, you will be able to make changes just like if you were on a computer. Contact the elementary office if you need your username and password at 715-458-4560.
