Skyward Family Access

Skyward Family Access is a great tool for school/home communication. Families can:

- Monitor your students' attendance and lunch balance
- See report card
- Keep contact information updated
- Lunch menus, monthly newsletters, and important announcements are posted on Skyward Family Access.

Families can access Skyward Family Access from the School District of Cameron website or by downloading the Skyward mobile app to your phone. Please contact the office if you need help with either of these.

The elementary uses Skyward Family Access for some very important events during the school year. Families will receive information on confirming their demographic information with an online process through Family Access as well as scheduling your “Welcome to School Day” conference at the beginning of the school year. This information will be shared with families during the summer after next year classroom placements have been done.

If you have not logged into Family Access yet, please call the elementary office for directions and your login information. If you do not have access to the Internet, please let the office know so that we can update changes in demographics, phone numbers and emergency contacts.

Our meeting will be held on Thursday, May 23rd at 2:30 in the conference room at the elementary school. The meeting should last approximately 45 minutes and you will be able to pick your children up and take them home after the meeting.
